PROFESSIONAL SUMMARY

I Electrician with hands-on experience in electrical installation, maintenance, troubleshooting, and repair of residential, commercial, and industrial electrical systems. Skilled in reading electrical drawings, wiring, panel installation, preventive maintenance, and ensuring compliance with safety standards. Dedicated to delivering high-quality work, identifying faults efficiently, and maintaining a safe electrical environment for every project.

WORK EXPERIENCE

Junior Electrician — Om Sai Electrical Works,

Jul 2026 – Aug 2026 • pune

Assisted in wiring installation and electrical fittings for new residential buildings. Supported senior electricians in panel installation and cable laying. Maintained tools and equipment, ensuring readiness for daily site work.

Site Electrician — Shree Electricals and Contractors,

Jan 2026 – Jul 2026 • pune

Carry out installation, testing, and maintenance of electrical wiring and panels for residential and commercial projects. Diagnose and repair electrical faults in lighting, distribution boards, and motor circuits. Perform preventive maintenance checks to minimize equipment downtime. Ensure all work complies with electrical safety codes and standards.
