

SRINATH DANDEKAR

Licensed Plumber & Pipefitting Specialist

Pune, India | srinath.dandekar@example.com | +91 98765 43210 | Languages: English, Marathi, Kannada

PROFESSIONAL SUMMARY

Dedicated and reliable **Licensed Plumber** with hands-on experience in installing, maintaining, and repairing residential and commercial plumbing systems. Proven expertise in diagnosing complex pipe leaks, fitting water heaters, ensuring strict compliance with local plumbing codes, and delivering top-tier customer service. Strong background in both new construction rough-ins and emergency repair services.

CORE COMPETENCIES & SKILLS

Technical Skills: Pipe installation, soldering & welding, drainage systems, water heater repair, leak detection, and fixture replacement.

Tools & Equipment: Hand and power tools, pipe cutters, threading machines, and hydrostatic testing equipment.

Blueprints & Compliance: Ability to read and interpret blueprints, schematics, and local plumbing regulations.

Languages: English, Marathi, Kannada.

PROFESSIONAL EXPERIENCE

Plumber

2023 – Present

Apex Plumbing & Contracting Services, Pune

- Conducted routine inspections, preventative maintenance, and troubleshooting on residential and commercial plumbing networks.
- Successfully installed and repaired water supply lines, sanitary drainage, gas lines, and plumbing fixtures (toilets, sinks, showers).
- Responded to urgent service calls, swiftly diagnosing emergency leak issues and executing permanent fixes to minimize property damage.
- Maintained a high customer satisfaction rate by providing transparent diagnostics and cost estimates prior to starting work.

Apprentice / Assistant Plumber

2021 – 2023

Maharashtra Pipefitting Works, Pune

- Assisted senior journeyman plumbers with large-scale pipe installations on new construction and remodeling sites.
- Learned and applied standard industry techniques for pipe fitting, joint sealing, and pressure testing.
- Kept job sites clean, organized, and compliant with health and safety standards.
